

Supporting MCLHR Financially

The Local History Room is dedicated to connecting people to the past— through museum exhibits, genealogical resources, and educational programming. Financial support from people like you helps make this all possible. The Local History Room uses no county tax dollars for general operations. Everything has to be raised annually through volunteer fund-raising, gift shop sales, and folks just like you with your support dollar!

Your tax deductible contribution to LHR fuels our efforts to collect, preserve and interpret the rich cultural heritage of Monroe County.

Donations entitle the donor to free annual membership in either organization: (choose one)

_____ Monroe County Historical Society

_____ Monroe, Juneau, Jackson Counties Genealogy Workshop

Donations of \$300.00 or more entitle donor to be named on our Donor Wall Plaque.

All donations are tax deductible
